

## GREENS/EFA EXTERNAL EVENTS

# BUILDING A CONSENT CULTURE TOGETHER

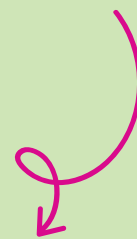

During our events, we expect respectful, caring and non-judgemental attitudes from everyone towards everyone. The spaces we share belong to everyone.

### OUR EVENTS DEPEND ON ALL OF US

We aim to actively create a respectful space together. This space is based on constructive nonviolent communication, respect, friendly use of language and most importantly consent: valuing and respecting each other's personal and emotional boundaries.

### ZERO TOLERANCE FOR DISCRIMINATION AND HARASSMENT

Greens/EFA events will not tolerate any form of racism, sexism, ableism, class discrimination, religious discrimination, anti-LGBTQIA+ attitudes and comments, shaming of any kind, physical, sexual or moral harassment, abuse of power, bullying, physical or moral violence, pressure into consumption of alcohol, drugs and narcotics.
